**Coshocton Career Center
23640 Airport Road
Coshocton**
**Folks, we have
a lot to talk about!**

We are organizing our annual community festival to celebrate and appreciate living together in our beautiful fertile county. We hope to raise awareness about the environment and the need to protect our bountiful land, our clean water, and our clear air for our children and their children to come.

If you would like to participate as an exhibitor we can provide a free table and space for your display or merchandise. We are looking for people who can share their environmentally friendly products or sustainable activities that promote recycling, conservation, renewable resources or renewable energy. Volunteers are also needed to run activities and CECA tables. More info – www.CecAware.org

On March 19th join us for "Meet Your Legislator Day". Many of you have told us you want to learn more about what happens after a bill is introduced in the Ohio Legislature. We thought the best way to do that is to hold an educational training event followed by citizens meeting with their legislators.

Who: You

What: Meet Your Legislator Day

Where: The Galbreath Pavilion Room #1 (in basement), side entrance of the Ohio Theater 55 E. State Street, Columbus

When: March 19th. 10 am - 4 pm.

Registration begins at 9:30 Am (coffee and pastry provided) Training by Attorney Richard Sahli.

Why: Meet with legislators that are making decisions that are dangerous to our health, safety and environment. (Like those that brought us Senate Bill 250, the anti-protest bill and HB 393, the brine as a commodity bill from last year.)

If you are interested, please provide the following your information in the registration below.

*All information provided will not be shared or used for fund raising. It will assist us in setting up meetings with your legislator.
